

## Certificates of Standing

If you are a member of the Alberta Dental Association and College and are moving to another province, you may be asked to provide a Certificate of Standing.

If you have practiced in one or more of the 10 Canadian provinces, a **Certificate of Standing** will be required. You will need to complete and email a Consent for Release of Information form for the jurisdiction you are applying to and submit payment, before a Certificate of Standing can be produced.

If you have practiced in the Yukon, N.W.T. or Nunavut, the USA or internationally, a **Letter of Good Standing** is required from each jurisdiction in which you have practiced dentistry.

Please contact the province you are applying to and obtain and complete the Consent for Release of Information form available on their website. The form can then be forwarded to the Alberta Dental Association and College by mail, fax or email. **It will need to be accompanied by a fee of \$375.** (Please see below.) Once both are received, the Certificate of Standing will be completed and forwarded to the provincial College and/or Association you are applying to. A copy will be kept on your personal electronic file at the Alberta Dental Association and College office.

The \$375 processing fee for the Certificate of Standing can be paid by cash, cheque, VISA, MasterCard or American Express. The form is attached. A Certificate of Standing can not be produced until payment is received.
