

APPLICATION FOR FEE WAIVER AND STATEMENT OF FINANCES

Certificate of Standing, Certificate of Registration Status Letter of Good Standing or Verification of Registration Status

The Council of the College of Dental Surgeons of Alberta passed a motion on May 31, 2022 that a member or previously registered member may request an "Application for Relief" for waiving of the fee under specific circumstances due to financial circumstances. This will be presented to the CEO/Registrar, who will make the decision.

The Alberta Dental Association and College has established a process to waive certain court fees for an individual's gross family income if it is below income thresholds; the College of Dental Surgeons of Alberta uses the same income thresholds and a very similar application process for assessing the fee waiver.

Members or previously registered members looking for a waiver of the administration fee for a **Certificate of Standing, Certificate of Registration Status, Letter of Good Standing or Verification of Registration Status** must be below the Income Thresholds listed in Schedule "A" of page 2.

The completed Application for a Fee Waiver and Statement of Finances and required documents **must** be received by the College of Dental Surgeons of Alberta with the request for a **Certificate of Standing**, **Certificate of Registration Status**, **Letter of Good Standing or Verification of Registration Status**.

If the CEO/Registrar is of the opinion that the member or previously registered member's family is below the Income Thresholds, then the fee waiver shall be granted. You will be advised in writing whether or not it was granted, with reasons.

Schedule "A"

Income Thresholds

Number of Persons in Family Residing In Household (including applicant)	Gross Family Income	
	\$ Monthly	\$ Annually
1	2230	26,760
2	2276	33,315
3	3413	40,957
4	4144	49,727
5	4700	56,400
6	5301	63,609
7+	5902	70,819

The term "Gross Family Income" means all monies received by the family before income taxes or deductions.

"Family" includes all persons living in the same dwelling and related by blood, marriage, common-law or adult interdependent relationship, or adoption. In the case of common-law and adult interdependent relationships, common law spouses, adult interdependent partners and their dependents are considered family. In the case of a minor, unless the young person lives independently, it is the income of the minor's parents or guardians which determines eligibility.

Review Process

The CEO/Registrar can only grant a fee waiver if the applicant's Gross Family Income falls within the Income Threshold set out above.
